Wesley Housing cordially invites you to again participate in Operation Warm-Up in 2010/2011. We will gladly accept warm clothing year-round to share with our distribution network. Please collect items when people clean out closets, do spring or fall cleaning, receive new warm clothing as gifts, etc. Just call one of our Faith Community Liaisons at 703.642.3830, ext. 218 for information or help—and thank you in advance for the warm difference you will make for many who would otherwise be cold.

the door to brighter futures
