

A Decade of Rising Costs
1996-2006

Living expenses have **far outpaced income** over the last decade. Today's financial crisis makes finding ways to pay the bills all the more difficult. Help low- and moderate-income families by providing affordable housing. **Your support** helps Wesley Housing acquire and build new properties, meet its current operating expenses, and develop new social and educational services for **people in need** living in our Northern Virginia community.
